**About us:**

AzureGreen began in 1986. Since then we have grown to provide thousands of products for all spiritual paths. After decades in business, we still live and work in a setting of creative magic thanks to the shared path of all our customers and community. We constantly grow and alter our product line to meet your needs. Our livelihood is a labor of love. We strive to bring the best of all aspects to you and all who share it with us.

AzureGreen is a mix of several people. Here are a few who daily work on this path: Adair, Tamarin, Cindy, Buffie, Sally, Steve, Eric, Anita, Juanita, Victor, Craig, Paula, Greg, Missy, Chris, Padriac, Nan, Jessica, Arlene, Linda, Wayne, Tracy.

**Product Availability:**

We have over 8,000 diverse items for you to pick from. Some items have been constant over the years, and some product lines are limited or discontinued without warning. We try hard to keep listed items in stock, but they can change fast. To view and shop with the most current information on all of our products, visit and order on our web page at www.azuregreen.net. You can also call our service staff and they will gladly assist you if you have questions.

**NOTE:**

Prices and availability are subject to change without notice. You will always be charged the most current price.

**Payment Methods:**

AzureGreen accepts: Visa, Master Card, Discover, Paypal, Paypal credit/debit, Checks, and Money Orders. To process credit card payments: We will need your billing address, full name, and 3 digit CCV code (located on the back of your card). All PayPal payments to Azuredist@yahoo.com. We do not accept Amex, however you can use that card through PayPal for payments.

**AzureGreen Web Store:**

The best and easiest way to shop and browse through our thousands of wonderful products is always our webstore www.AzureGreen.net. Our catalog is a wonderful resource and listing, but a printed catalog becomes outdated almost as soon as it is printed. We also offer free PDF versions of our current catalog on our website. The PDF version of the catalog is updated monthly. We update our site twice daily Monday - Friday. So have fun browsing and shopping online.

**Backorders:**

For USA orders: When a retail item you have ordered is not in stock here at AzureGreen, we normally leave the item on your order (if it is over \$5.00) and ship it directly to you when it arrives back in stock. Backordered items under \$5.00 are removed from the order and you can order again at a later date.

**Return Policy:**

Let us know right away if you have any problem with your order so we can correct it for you. If you need to return product to AzureGreen you must contact us within 30 days of receipt by emailing: azuregreen@azuregreen.com, or by calling us at 413-623-2155. You must have the original invoice number to reference. AzureGreen will only accept items for return that are approved and given an RMA number. Returns will be subject to a 10% restocking fee. For missing or damaged items, set package aside and contact us immediately, not later than 10 days so we can resolve the issue.

**FULL INVENTORY MIX & MATCH**

Remember you can mix & match different items from within ANY item category to qualify for higher volume discounts! Categories are determined by the first letter of a product's item code. Just six item codes starting with the same letter will earn discounts on your order. MATCH THAT LETTER!

**Remember that XWEB code!**

As we move more and more of our business to the web we'd like to thank you for coming with us. Type XWEB into the search bar on our website or into your Quick Order form and add one to every order you place online to save 50 cents!

You may of course still call us with any questions or concerns and at those times when you really do need to speak with a customer service representative about a product as you order.

Shipping cost as listed in the catalog is a flat rate and will be different than your shipping cost as calculated online or with a representative on the phone which is based on actual shipping weight. Shipping carrier for mail orders will be determined by AzureGreen when your order is processed and may be USPS, UPS or FedEx at our discretion. Offers and discounts available online or through phone orders will not be available to catalog orders.
