Mix & Match Discounts

Our Mix & Match Discounts allow you to have a wide selection of items at the highest discount.

The idea behind the Mix & Match is simple. All of our item codes start with a letter. Pick just six items whose item codes start with the same letter and get a higher discount on EVERY product whose item code starts with that letter!

The more items you add whose item code starts with the same letter - the higher your discount goes.

MEDIA (Items codes starting with B, D, M or U)	
Quantity of items with a product code starting with the same letter	Discount
1-11 (Your base discount as a wholesaler)	40%
12-23	45%
24+	48%
All products whose item codes start with a B, M or U will combine for high discounts as if the product codes started with the same letter.	

For ALL other item codes	
Quantity of items with a product code starting with the same letter	Discount
1-11 (Your base discount as a wholesaler)	55%
12-23	60%
24+	65%
Select Specialty Items	
48+	70%

YOU MUST BE LOGGED IN TO YOUR WHOLESALE ACCOUNT ON AZUREGREEN.NET IN ORDER TO SEE YOUR WHOLESALE PRICES.

If there are any problems logging in to your account please do not hesitate to contact us.

Once logged in to your wholesale account clicking any item to show more information about that item will also show you a complete break down of the pricing of that item. That break down will include a full list of discount tiers available to that item and the price you will pay for that item at each of those discount levels.
